To Whom It May Concern:

This past June, it was our privilege to have Christopher Chamberlain videotape our daughter's wedding and reception. What a wise move on our part! The DVD is beautifully done with all kinds of clever techniques and obviously hours of editing and work to make it just right. He even volunteered to come to the rehearsal just to make sure he had lighting and everything set up perfectly. He was there long before the wedding and right to the very end of the reception, along with his assistant. I was with my daughter with the video arrived. We had a special time together as we viewed the beautiful wedding and reception and relived a very special day. I can't say enough good things about the extremely professional and breathtaking DVD we received. In addition, Mr. Chamberlain was genuinely nice to work with and did everything we asked and more. His rates were reasonable, and we certainly got our money's worth. He delivered the DVD's even before expected. I would not hesitate to recommend him to anyone desiring to preserve a momentous occasion, and I know that he will continue to make many brides and others happy with his wonderful services.

Sincerely,
